DEPED SCHOOLS DIVISION OFFICE OF VALENZUELA CITY

Administrative Roles & Governance Architecture

Division Super Admin (SDO) vs. Campus School Admin (Secondary High Schools)

Desktop Web Portal

GabAI Core v2.4 • DepEd Matrix

! **Crucial Architectural Boundary:** The Android Mobile App (`com.example.gabai`) is **strictly reserved for Teachers and Students**. Administrators cannot log into mobile devices; any administrative login triggers `MainActivity.showAdminWebOnlyDialog()` and terminates the session. All administrative actions occur exclusively on the **GabAI Web Admin Portal**.

Division Super Admin

SUPER ADMIN

Schools Division Office (SDO Level)

Primary Persona:	**Division Superintendent / EPS / SDO IT**
Jurisdiction:	**Division-Wide (All 25 High Schools)**
Selector Mode:	**Unlocked ("ALL" or Campus Switch)**

EXCLUSIVE DIVISION PRIVILEGES

- **School Matrix Management:** Exclusive access to `tab-school-matrix` to add, configure, or retire secondary schools in Valenzuela City.
- **SDO Invite Code Issuance:** Generates secure one-time authorization tokens (`SDO-XXXX-YYYY`) to authorize School Principals.
- **Direct Administrator Provisioning:** Ability to directly provision and bind campus administrator credentials without invite codes.
- **Division Spotlight Benchmark:** Monitors institutional literacy trends, Phil-IRI reading distributions, and assessment heatmaps.
- **Permanent Account Deletion:** Sole governance tier authorized to permanently remove faculty/admin records from Firebase.

Campus School Admin

SCHOOL ADMIN

Individual Campus (School Principal)

Primary Persona:	**School Principal / Head Teacher / School ICT**
Jurisdiction:	**Single DepEd School ID (e.g. 305441)**
Selector Mode:	**Permanently Locked to Assigned School**

EXCLUSIVE CAMPUS RESPONSIBILITIES

- **Faculty Accreditation Authority:** Evaluates newly registered teachers and grants 1-click approval to enable mobile app classroom access.
- **Classroom Section Governance:** Oversees campus sections, advisory assignments, and student roster enrollments.
- **Student Credential Vault:** Batch-generates student accounts, manages onboarding tokens, and exports printable student access slips.
- **Pedagogical Oversight & Remarks:** Conducts read-only inspection of reading modules, exercises, and diagnostic assessments with the Remarks drawer.
- **Protected Campus Scoping:** System strictly hides the School Matrix and blocks access to records outside their assigned DepEd School ID.

GOVERNANCE DIMENSION	DIVISION SUPER ADMIN (SDO)	CAMPUS SCHOOL ADMIN
Jurisdiction Scope	All 25 Schools Division-wide unrestricted access	Single Campus Scoped to DepEd School ID
School Matrix Management	Full Access Add, edit, or retire schools	No Access Tab hidden from interface
Issue SDO Invite Codes	Authorized Generates `SDO-XXXX-YYYY` tokens	Restricted Claims code issued by SDO
Faculty Accreditation	Division Audit Global registry & audit review	Direct Authority 1-click campus approvals/holds
Account Deletion	Sole Authority Permanent Firebase record purge	Restricted Cannot permanently delete records
Student Credential Vault	Division Aggregate High-level onboarding status	Direct Management Batch generates campus student slips
Pedagogical Remarks	Division Supervisor curriculum feedback	Campus Administrator instructional notes
Mobile App Access	Strictly Blocked Desktop Web Portal only	Strictly Blocked Desktop Web Portal only

DepEd Campus Onboarding & Accreditation Lifecycle

Institutional Security Flow

STEP 01 • SDO

Issue SDO Invite

Super Admin generates a single-use token (`SDO-XXXX-YYYY`) in the School Matrix for the principal.

STEP 02 • CAMPUS

Claim Workspace

School Admin claims the invite code on the Web Portal, binding their account irreversibly to their School ID.

STEP 03 • TEACHER

Mobile Registration

Educators sign up via the Android app and are automatically flagged as **Pending Review**.

STEP 04 • APPROVAL

Accredit Faculty

Campus School Admin clicks **Approve** in the Faculty Registry, unlocking mobile teaching tools.
